JUGGLER

JUGGLER is an exciting, fast action game, in which you try to accumulate a new high score by juggling various types of objects. You are given 3 jugglers for each game. 1 extra juggler may be earned by reaching 100,000 points.

HOW TO JUGGLE

Boot your JUGGLER diskette in the usual manner and once the disk is booted you may press the "return" key to begin playing. JUGGLER can be played either from the keyboard or paddle. Keyboard mode is the default and you control the juggler using the left and right arrows " ← " and " → ". To use the paddle, namely paddle 1, enter a Ctrl P. Merely turn the knob back and forth to control the direction of the juggler.

INSTRUCTION PAGE

All of the key strokes which you can use to control the action of the game may be displayed at anytime by entering Ctrl I. The various keys are:

Ctrl A:	Auto-Toss on or off.
Ctrl B:	Begin new game.
Ctrl I:	Display these instructions.
Ctrl K:	Select Keyboard mode.
Ctrl P:	Select Paddle mode.
Ctrl S:	Turn sound on or off.

WHAT'S HAPPENING

When you first start playing JUGGLER, you will notice that he is "tossing" objects into the air. These objects are used to help the juggler keep the tumblers from hitting the ground. These objects may either be thrown automatically as when the game begins or manually. Ctrl A turns the Auto-Toss feature on or off. Additional objects may be tossed using the paddle button or any key.

POINTS AND MORE POINTS

There are 7 levels of play in JUGGLER. The number of points you obtain per hit is based on the level you are playing at. Each hit scores at 30 times the level. Bonus points are obtained when the tumblers are forced into the maze at the right and the chute at the left. An extra 500 points is obtained whenever you hit a tumbler directly with the juggler.
